Manifesto

With a rigorous and analytical approach, we do engage Architecture at different scales, spanning from intimate domestic landscapes to public buildings. Simplicity and consistency lead us to the essence of things and our vision is to instill purpose and poetry into Space.

We are currently working on residential and public projects throughout Italy and the Netherlands.

Gregorio Pecorelli studio is located in Corso Italia 9, 20122 Milano

CV

Gregorio Pecorelli (Assisi, 1989) completed his architecture studies at the Politecnico di Milano in 2014, attending the multidisciplinary Alta Scuola Politecnica honour program. During the same year, he achieved a master in Design, Architecture and Archaeology at the Accademia Adrianea Architettura Archeologia in Rome. In 2017, he earned a Post-Master at the Berlage Center for Advanced Studies in Architecture and Urban Design in Delft. Gregorio is part of the Italian Architect's Register, Ordine degli Architetti PPC della Provincia di Milano, with registration n.22457.

In 2015, Gregorio received the under 30 Premio Federico Maggia award. In 2019, he won AAA Architettercasi, redesigning the new Milano Rogoredo masterplan.

In 2017 and 2018 he collaborated as research architect for Powerhouse Company in Rotterdam focusing on multi-scale complex projects. In 2019 he moved to Antwerp where he worked with Vincent Van Duysen Architects focusing on high-end architecture and interiors. In 2021 Gregorio started his practice in Milan.

Since then, the studio has been working on high-end private residential commissions and luxury interiors, while continuing to take part in competitions for public projects. In 2025, Gregorio won the Filippo Perego Award for decorators and interior designers with a project for a villa on the Como Lake.

Gregorio Pecorelli studio is formed by Gregorio Pecorelli, Marta Giulia Micheletti and Giulia Cappetti. Yarim Alkim Eker was a former collaborator.
